## Christmas Show – Tickets on sale NOW!!!

All Children should be in this one if they can. It's a great opportunity to move them onto the next stage of performing, on a proper stage in front of an audience! We usually find every child has a huge boost after a show and their dancing changes amazingly. Also it's a chance to buy those grandparents a gift they will never forget! The tickets are priced at £5.00 each regardless of age or anything else for that matter and are sold through us.

Children should be dropped off to us at the theatre on Friday 19<sup>th</sup> at 16:00 until 20:30, this is a technical rehearsal and all involved are needed. Saturday, please drop your child off at 09:00 please make sure they have plenty of food and drink, it is usual for us to get a takeaway in between shows, if this is something you would like your child to do then please ensure they have between £3 - £5 depending on what they would like,

Parents cannot see their child throughout the day due to preparation, so try not to forget anything!

I need "front of house helpers" for all three performances, please let me know now if you can do 1, 2 or all performances, its usually a laugh, and at least this time the toilets are clean before we get there.

## Langdale Academy Performing at Local Care Homes :-

We are performing to the local care homes to spread the love.....so to speak! We are planning on covering Ford House, Aisling Lodge – 23<sup>rd</sup> December at 14:00 and The Hillings, these will be great fun and will involve everyone, the dates are 22<sup>nd</sup> and 23<sup>rd</sup> December times to be confirmed.

## Langdale Academy at the Shaftsbury Theatre

We are performing in Shaftsbury Theatre on February the 8<sup>th</sup> 2009, HATS have had to combine two dates as neither were full enough, now it is packed solid and we don't want to be rushed and held to a three minute slot, so we said we would wait for the next one, we will have longer to perform and will be able to incorporate more performances. So all are welcome, we go down together and rehearse on the stage with the other dance schools. You must be in full Langdale Uniform to attend. You will be required to buy a HATS T-shirt for £12 for the finale (their rules not ours) and you must have at least two people come and watch you at a cost of roughly £28 per person. This event is not to be missed and has been loved by the parents and children alike in the past.

We need helpers for this one too!

## Children in Need

We are planning to do something mad for Children in need again and need ideas, the madder the better! So get your thinking caps on and step outside the box.

## Congratulations

On an even Happier note Wyn and Adelle are now Mr and Mrs Moss and they are expecting their first child in April, so congratulations to them!
